

## Frontier HOG “Burger Trail” Patch Guidelines

- Each participant is required to maintain a log of each location visited.
- A log is included with this document.
- Log should be signed and turned in with documented visits totaling at least 20 points on the attached list.
- Visits to a location can be documented in either of two ways:
  - A fellow Frontier HOG member, who also visited the location on an H-D motorcycle with the participant, may act as a witness and sign the log for the location visited.
  - Participant may provide a photo. The photo must include the participant, the location (front of store or sign or something that would uniquely identify the location) and the participant's Harley-Davidson motorcycle.
